

**BILL 2491 IS A**

# **WIN/WIN FOR EVERYONE!**

**MOMS AND DADS WIN!** Their *children will be more protected.*

**WORKERS WIN!** They will *learn more about the pesticides they work with and are exposed to*, even in small amounts, on a regular, daily basis.

**RESIDENTS WIN!** They will *understand what is going on* near their homes, schools, playgrounds and gathering places.

**THE TOURIST INDUSTRY WINS!** Our visitors will understand our island's aloha spirit and that our County leaders care deeply that our visitors can *breathe clean air and swim in clean water.*

**AGRICHEMICAL COMPANIES WIN!** They get to show residents that they want to *be better neighbors* and more *responsible corporate citizens.*

**SMALL BUSINESSES WIN!** We can *develop an island enterprises based on values of health, sustainability, local growth, and malama 'aina values.*

**LETS ALL WIN TOGETHER! PASS THE BILL 2491**

BILL 2491 IS A

# WIN/WIN FOR EVERYONE!

**MOMS AND DADS WIN!** Their *children will be more protected*.

**OUR ECONOMY WINS!** Our crown jewel, the *visitor industry will be protected*.

**LOCAL FARMERS AND BEEKEEPERS WIN!** Their crops, bee colonies and land are *protected from the dangers and unknown consequences* of restricted use pesticide drift.

**AGRICHEMICAL COMPANIES WIN!** They get to show residents that they want to *be better neighbors* and more *responsible corporate citizens*.

**FUTURE GENERATIONS WIN!** We will be *protecting Kaua'i's land, water and air* more than we were before, so that their risk of longterm exposure effects are lessened.

**KAUA'I COUNTY COUNCIL MEMBERS WIN!** They will be *heroes for the land, the children, and generations to come*.

**LETS ALL WIN TOGETHER!** PASS THE BILL 2491
